Hi everyone,

For our bi-weekly call on Friday, June 22 at 2pm ET, I'd like to focus on nailing down our plans for the summit. In particular, I would like your feedback on the 1) possible deliverables for the Summit, 2) the meeting with governors and CEOs, 3) a fundraising dinner, and 4) video production. It would be good to also hear from you the likelihood of your governor participating, recognizing that many are waiting to get a more final agenda before being able to go back to their teams.

Please read the attached document ahead of the meeting. We will focus on the highlighted guiding questions in here.

Agenda

Toll-Free: +1 (855) 673-6651, access code: 246572

1. Proposal for USCA engagement at Global Climate Action Summit

Document: "USCA Engagement @GCAS – 180622"

Guiding Questions: See attached

2. FERC Pipeline Policy

Speaker: Reed

Document: Memo – FERC pipeline policy

3. AOB

- a. Is anyone work on innovation and diversification of the economy? Alaska has a policy statement on diversification and growth of the clean energy and ocean economy, and want to refine the concept further.
- b. State and initiative updates
